INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed. Copies of any listed U.S. patents or U.S. patent application publications can be provided upon request.

Applicants provide a listing below of commonly owned U.S. patent applications and U.S. Patents. Where available, the patent applications and issued patents are provided on the PTO-1449 form by U.S. publication numbers and issued patent numbers, respectively. However, the commonly owned co-pending U.S. patent applications and U.S. Patents were filed as U.S. national phase patent applications under 35 U.S.C. §371, and therefore where a U.S. publication number is not yet available, the PTO-1449 form includes a reference to the PCT publication number.
